

A photograph of a large, two-story wooden house with a porch, surrounded by lush green trees and a well-maintained lawn. A stone structure, possibly a well or fountain, is visible in the foreground.

It has been a few years since the last Hoover Homestead Appeal was made, but at the recent family meeting during the annual Hoover Re-Union (July 30, 2016), it was suggested that an appeal be made annual to keep a solid, sustained base for the Clyde Hoover Estate as willed.

As noted above, the Hoover Family Re-union was held on the week-end of July 29th thru July 31st. Despite the on-off rain, we had the largest attendance we've had in years! Including many young families, which was great to see!
